

NOTICE

Shaping Young Minds With Skill Oriented & Value Based Education.

Dear students,

The Infosys Certification program is an assessment of your industry readiness by gauging your knowledge about Programming and Databases.

What you get by clearing the assessment is a certification that you can flaunt as well as a chance to get interviewed at Infosys on the very same day!

If you are wondering what it takes, here's what:

- You must be a student of B. Tech All streams, MCA graduating in 2020 to register for the Infosys Certification
- Achieve at least 65% in the assessment and tada! You will be Infosys Certified!
- Students, who score above 65% in the assessment, will be eligible for an on-the-spot interview at Infosys!
