SCRIET Alma Connect : Live Webinar #8

Topic : In Demand IT Jobs post covid-19

Agenda : Digitalisation has sparked radical shifts in how we live and work. COVID-19 has accelerated these beyond anything we could have imagined. Workplaces are likely to change, and with it, the skills companies will require. In this session we will discuss the new jobs created in IT due to this shift in work culture and the skills required to succeed in those jobs.
