Venue: Work From Home

Circular:

Dear Students,

The unexpected spread of coronavirus has brought the world to a halt, so why not the talent of SCRIET be explored? Be a solution provider to the society, develop an APP on some innovative idea specifically useful during the lockdown or after the lockdown.

Details are as follow:

1)   Platforms to be used:

• Android •   iOS

2)   Guidelines:

•   Language should be restricted to java for Android & Swift for iOS

•   Code should be developed in proper functional programming (comments for each function/section is mandatory)

•   Use any kind of Database like MySQL, Firebase, AWS, etc.

•   Upload google drive link of Apk (for Android)/ IPa (for iOS) along with the source code and send the link at scrietcultural@gmail.com

4)   Open to all students belonging to SCRIET

5)   Last date- 26 April 2020

6)   Contact:

      Faculty Coordinator: 9760376077 (Er. Amit Sharma)

      Student Coordinators: 9899057044 (Himanshu Sharma)

                                       9410891289 (Akanksha Chandra)

7)   All participants will be given a certificate.

8)   The best two entries will be given **prizes**.

9)   The decision of the judges will be final
