

# Notice

Due to the odd circumstances appeared due to Covid, with the approval of the authorities the classes of even semester of all years of BTech, MCA and MBA are shifted to online mode. The classes of even semesters will start with immediate effect.

Examinations including practicals of odd semesters of complete BTech are postponed till next order. The policy of exams of BTech Odd semester (first and third) will be declared after the completion of the studies of even semesters.

All students of BTech have to vacate hostels with bag and baggage within five days or as per their reservations (after the approval of the corresponding wardens).

Examinations of MBA first year and MCA first year will be as per schedule from 7 april 2021. After that they also have to vacate the hostels with bag and baggage.

MBA second year and MCA second year have to vacate hostels with their belongings just after their practical exams of odd semester.

The policy for hospital administration and B Sc computer science honours will be declared later.

Examinations of BSc computer science honours and Hospital administration will be held as per the previous schedule.
